School Name	School Number	Telephone Number	Fax Number
Building Principal		Email	
Address		City	Zip Code
Title I Schoolwide Coordinator		Telephone Number	Fax Number
Email			

Part I: Signatures of Support

Please sign below if you support designing a SWP. Schoolwide planning requires additional effort for all school members in return for local decision-making and greater flexibility for school improvement.

Your signature below indicates that you recognize these additional responsibilities and are willing to work cooperatively to design and implement the best learning environment for your students.

	Title/Position	Name	Date

Please check assurances

- An assurance that the school will meet the plan development requirements and incorporate the ten federally required components in Elementary and Secondary Education Act of 1965 as cited in No Child Left Behind Act of 2001, Section 1114.
- An assurance that the district will provide the necessary technical assistance and support to the school.
- If the district deems it not necessary for the school to develop a comprehensive plan during a full one-year period, an assurance that the school conducted the appropriate schoolwide planning with support from the district.
- An assurance that the district will submit the schoolwide plan in SERVS and will make the schoolwide plan available when requested by the Minnesota Department of Education.
