

GENERAL INFORMATION: The Minnesota Department of Education will apply the following criteria to program aid and budget approval in order to ensure compliance with Minnesota Statutes, section 125A.75, Subdivision 4. Charter schools are considered school districts and must comply with the same federal and state laws and rules required of all school districts in Minnesota.

If you are a charter school in your **FIRST** year of operation, you must submit a paper copy of the proposed new fiscal year special education budget. Please submit the information below along with the signed Statement of Assurances, and State and Federal Cover Sheets to the address above.
